Gentlemen:

May I ask your help, if possible, in the following matter?

Mr. Jenő Karsay a former officer in the Hungarian Gendarmerie is now a refugee in Austria and is in dire need of a hearing aid which he is unable to purchase as he is entirely without means. Perhaps you may have some used hearing aid which could be sent to him and which prove a really great help to him.

This displaced person's address is as follows:

Jenő Karsay  
 Lager Vorkloster, Baracke 2,  
 Bregenz, Austria.

I would greatly appreciate if something could be done in behalf of the above refugee.

Thanking you, I am

Sincerely yours,

*Arthur Dobozy*
